SELECTION AND VERIFICATION PROCESS

Representatives of SoCalGas throughout Southern California work with their communities and local organizations to identify and select scholarship recipients. SoCalGas has the final responsibility for selecting recipients, and decisions of SoCalGas are final.

The scholarship will be awarded for the fall semester or quarter of the current year, and it will be issued upon receipt of verification of full-time enrollment. Verification is due and must be received as soon as a student is enrolled, and in any event not later than August 1st (postmarks not accepted).

Awards will be issued through an independent scholarship administrator and mailed directly to students. The scholarship administrator will follow up with scholarship recipients to provide additional information regarding their awards.

Forfeiture of Awards

Students who do not complete the required information, who fail to submit verification of enrollment, who fail to enroll as full-time students or who fail to provide timely verification, may be required to forfeit their awards. Due to budget limitations, SoCalGas will not hold over or delay awards from one academic term to another.
